

ELBJAZZ

Hamburg

31 May + 1 June 2019

At the ELBJAZZ festival the Hamburg harbour will be the scene for a unique music event: Since 2010 thousands of guests have been thrilled by one of the largest European jazz festivals where the unmistakable maritime flair of the hanseatic city of Hamburg, Germany, meets spectacular venues.

ELBJAZZ festival guests can look forward to two days of exciting performances by top-class international artists and the whole spectrum of jazz and related genres – musical diversity is part of the programme!

Just like in previous years, the Elbphilharmonie will once again be an ELBJAZZ venue in 2019. The Grand Hall will host six concerts on the two official festival days.

The various indoor and outdoor stages will be grouped around two festival centres: The impressive concert hall with the adjacent HafenCity area and the Blohm+Voss shipyard area, somehow the heart of ELBJAZZ.
