

ELBJAZZ IN THE PORT OF HAMBURG | JUNE 7 + 8, 2024

On June 7 + 8, 2024, ELBJAZZ will once again transform the Port of Hamburg into a spectacular melting pot for live music for two days: unique venues such as the Blohm+Voss shipyard and the world-famous Elbphilharmonie concert hall with the surrounding HafenCity will form the heart of the festival in the midst of Hamburg's urban-maritime scenery.

Every year, around 50 concerts with national and international acts from the jazz and popular genres provide a contemporary music program.

At ELBJAZZ, the term jazz has always been understood not as a specific genre, but as a question of attitude, with an open stylistic field. As a trend-setting flagship among the nationwide jazz festivals, ELBJAZZ presents a wide variety of acts and formations - up-and-coming newcomers, trendsetters, and international stars - live and direct.

The musical program is presented on various stages located south of the Elbe on the Blohm+Voss shipyard site and north of the Elbe in HafenCity. The musical program is rounded off by a varied supporting program.

ELBJAZZ is organized by ELBJAZZ GmbH | Große Elbstraße 277a, 22767 Hamburg, Germany
Registered in the commercial register HRB 6334 at Hamburg District Court
Managing directors: Folkert Koopmans & Karsten Jahnke
